## GENERAL CONDITIONS

Plan:  High Efficiency       Standard Efficiency

Date: \_\_\_\_\_ Price: \_\_\_\_\_

*Your service plan will be automatically renewed on its anniversary date.*

## 24 HOUR EMERGENCY SERVICE

**EMERGENCY SERVICE** is defined as having no heat or hot water.

### EXCLUSIONS:

**Service Plans do not cover parts or labor when failure is due to the following:**

- Services to identify or remedy gas leaks.
- Coverage can be revoked if customer fails to pay for service within terms.
- Coverage can be revoked if customer fails to remedy conditions identified as hazard.
- Coverage can be revoked if customer permits anyone other than a Gas Doctor representative to service equipment.
- Not providing adequate ventilation for combustion.
- Removal of materials containing asbestos.
- Monitoring vacant or unattended premises.
- Not maintaining clean air filters.
- Resetting circuit breakers.
- Leaving the Emergency Switch in the OFF position.
- Improper thermostat temperature and clock settings.
- Replacing batteries in system devices.
- Not available for heating systems with input in excess of 300,000 BTUs.
- Not maintaining adequate water level.
- Flushing Low Water Cutoff.
- Venting.
- Frozen gas and/or water lines.
- Lack of preventative maintenance.
- Equipment damaged by power surges or portable home generators.
- Air Conditioning related parts are not covered.
- OEM or Special Order parts are not covered.

This agreement does not cover services, repair or replacement of parts as a result of abnormal conditions beyond our control, such as, but not limited to, acts of God, war, flood, fire, hurricane, explosion, vandalism and freeze-ups. Furthermore, Gas Doctor is not liable for the inability to supply parts that are no longer available due to obsolescence.

This agreement is not written on a prorated basis and no refund will be made if cancelled prior to the expiration date. We reserve the right to rescind or cancel the agreement without notice if any of the conditions set forth are not met.

The acceptance of all service plans by Gas Doctor are contingent upon inspection of your system and/or equipment by one of our licensed technicians. Any defective parts, or systems not up to code, will not be covered by the plan. Charges for labor and/or parts arising from service performed prior to acceptance of this agreement will not be covered.
